

## Spectronics EDGE 4 Wash Station Lamp

IP65  
RATED

NDT Wash  
Stations

Wide  
Coverage Area

The Edge 4 provides a wide area of coverage without a high intensity. 4 UV-A LEDs provide a wide, uniform beam that is highly consistent and reliable. Its IP65-rated housing allows the lamp to work in wet and dirty environments. Heat sinks keep the lamp cool without the need for a fan, so no dust or water can enter.
