

*The Premier Manufacturer of High Quality Accessories for Industrial Radiography*

## **RADAC® Computed Radiography Cassettes / Flexible Imaging Plate Protectors**

- ✓ **Quality Assured** – RADAC's use of the best materials and manufacturing techniques combined with rigorous quality control throughout the production process ensures that RADAC cassettes are free from defects.
- ✓ **Reduced the risk of accidental damage to your Imaging Plate during use** - specifically designed for use with flexible Imaging Plates. RADAC's specially formulated cassettes provide protection from scratching and accidental damage in use without compromising image quality.
- ✓ **Full range in all popular Imperial and Metric and Sizes**

Designed to reduce the risk of accidental damage and scratching during use of the Imaging Plate.

RADAC Imaging Plate holders / cassettes will help prolong the life of your Flexible Imaging Plate reducing the whole life shot cost.

Manufactured to accommodate all popular standard size Flexible Imaging Plates.

Designed for use where protection from the operating environment may be required but full light tightness is not essential, RADAC cassettes feature an open end without closure for ease of loading and unloading without damaging the Imaging Plate.

Produced in RADAC's own specially formulated PVC to ensure image quality is not compromised.
