

SharperTEK XPS-120-3L Heated Ultrasonic Cleaner

Heated Ultrasonic Cleaner by SHARPERTEK®

Quickly and professionally clean your test panels with this desktop ultrasonic cleaning unit. We use in-house for cleaning all tam panels and other test specimens. It completely removes excess penetrant from indications as well as the surface of the panel. We recommend using with Met-L-Chek 300LF or equivalent for proper cleaning.

Features:

- Industrial Grade Model
- Sweep Function
